DECISION NO. 71424**

In Decision No. 71424 (Dec. 8, 2008), on page 6, lines 14-20, the Arizona Corporation Commission ("Commission") authorized Chaparral City Water Company ("Company") to assess a temporary surcharge, for a period of six months, on all customers paying commodity rates, to collect the difference in revenue between what would have been collected to date if the corrected commodity rates approved in such decision had been charged for service effective October 15, 2009, and the revenues actually collected to date under the erroneous rates approved in Decision No. 71308 (Oct. 21, 2009).

In accordance with Decision No. 71424, the Company hereby files its temporary surcharge tariff to recover the revenue shortfall, in accordance with the Commission's order. Said tariff is attached hereto as Exhibit A. The amount of the surcharge is \$0.0445 per 1,000 gallons of water, and is applicable to all water used on and after January 15, 2010. The impact on a typical residential customer will be about 38 cents per month.
